

Subject: An updated arrival date for your Smooch Cami

Hi << Test First Name >>,

We've learned a shipment of our Smooch Cami backorders, including your Smooch Cami on order << Test ORDER\_ID >>, is slightly delayed and now set to arrive on May 28 instead of the original date of May 26. We're sorry about this delay, as we're sure you're eager to add that kiss of color to your wardrobe! As soon as the shipment arrives at cabi, we'll quickly proceed with our quality control process and send it out to you.

Thank you for your patience!

Sincerely,  
The cabi Home Office Team
