Can clothes really change your life? **WE BELIEVE THEY CAN**

How many mornings do you find yourself taking way too long to answer this simple question: “What do I wear today?” Cue the hanger flinging, the self-doubt, the belief that *none of this even looks good on me*. In today’s busy world, we don’t have time to worry about what we put on, but we know that when we get it right... it matters. When we nail it, we step out our door with confidence, ready to conquer the day.

Behind each piece of cabi clothing, you have a Design Team who cares about your unique style and budget. You have your own personal Stylist who gets to know you and recommends pieces that truly fit your body and lifestyle.

Your Stylist can make your next gathering fun, purposeful (and stylish!), or work with you in a one-on-one personal styling session (all for free); you also have the convenience of her website or the style-infused cabi Tap app. Your Stylist, more than anything, is your ally, not some algorithm. Time spent with her is gold.

Your mornings *can* change from the endless tumult of indecision to the victory of confident selection—and yes, winking at the mirror just might become part of the normal routine. When we feel great, we step into the world more fully our unique selves, able to contribute freely to those around us. And that’s life-changing.

Gathering inspiration for our new Collection, we found ourselves moved by experiences beyond the runway—experiences that stirred our sense of sight, touch, and taste. Colors straight from the spice rack, like paprika and turmeric, add bold flavor, while colors from nature, like mulberry and jade, ground us. Warm and cozy sweaters and jackets layer over gorgeous florals, dots, plaids, and status-print

blouses. As always, we focus on the details: ruffles, pleats, seams, peplums, fringe (and more!). This Collection is for a modern, strong woman who is brimming with life, and you can see this inspiration manifested in an iconic black-and-white herringbone suit. Yes, these pieces reflect the pulse of the fashion world today, but more importantly, they help you live your best life: unique, ascendant, fierce, proud, and loud.

Chief Design Officer

Larger-than-life characters, mesmerizing performances, stories that capture our imaginations—if there’s anything we’ve learned from the movies, it’s how to live out loud. This season’s Look Book group names are inspired by the big screen for a show-stopping twist. Lights, camera, action!

Not business as usual THIS CLOTHING CHANGES LIVES

At the heart of cabi is our Stylists—entrepreneurs, confidence-builders, world-changers. From helping a woman change how she sees herself in the mirror to helping a woman in the developing world change the trajectory of her family and community, we’re a community of women making a real difference for others. Our clothing empowers you to build your own business, on your terms—part-time, full-time, when, where, and how you want, with easy tools to serve women when, where, and how *they* want. This isn’t business as usual—it’s your opportunity to make a rewarding difference while building a business you love. And we believe it just might change your life.

It all starts with the clothes.

the heart of cabi foundation ♥

Our vision is a world without extreme poverty.

Together, we can encourage and empower women across the globe as we provide clothing for our local communities and support women entrepreneurs who provide for their families in the developing world. Woman by woman, we're helping communities break free from poverty.

Let's be the generation to eradicate
extreme global poverty.

Join the movement:

♥ **PURCHASE THE CHEERFUL BLOUSE:** (pictured opposite page) A portion of the net proceeds from the sale of this item will help fund The Heart of cabi Foundation's efforts in our local communities.

♥ **GIVE THROUGH MAKE A CHANGE:** Round your cabi order total up to the nearest dollar or pound to contribute to the education and futures of Rwandan children.

♥ **LAUNCH A cabi BUSINESS:** When you begin your cabi business, cabi will fund a small business loan in your name for a woman entrepreneur in a developing country to build her own business.

Together, we can affect lives around the world.

It's not just about the way you look, but how you feel. It's not simply the outfit, but the style you own. It's not only the compliment, but the conversation. Ultimately, beyond great fashion, cabi is about the connection.

From the moment cabi was created, it was more than a brand; it was a vision to bring inspiration, confidence, and a lasting sense of community to generations of women. Knowing our greatest days are ahead of us, our empowered network of friends has become a catalyst for the biggest evolution in women's fashion.

The true essence of cabi isn't just about the clothing, it's about the relationships we build—each encouraging us to discover our style and inspiring us to mix and match what we wear with the way we live.
