

thank you!

Because of a cabi Stylist, cabi continues to empower women throughout the world. It's our pleasure to introduce to you...

LOUISE

a Sister Entrepreneur from Kimironko, Rwanda

Louise Mukakibibi is an entrepreneur and mother of seven who lives in Kimironko, Rwanda with her husband and children. For many years, Louise has owned a company making and selling smoothies to customers in her community. Each morning, Louise gets up early to secure ingredients and prepare for the day. Despite her dedication and hard work, she faced many challenges in her business.

Everything began to change for Louise when a friend introduced her to Opportunity International. Because a cabi Stylist is building her business, Louise received financial training and a loan to invest in her business. The loan allowed her to purchase a greater variety of ingredients for the drinks, like bananas, which attracted new customers and increased her sales. Louise has used a portion of her increased earnings to purchase a car for her son, who commutes to work. Thanks to the loan she received, Louise will be able to expand her business while providing for her children and their educational needs.

This partnership with Louise has paved the way for her to live out her dreams and plan a prosperous future for her business and family.

Because a cabi Stylist began her business, Louise was able to begin hers.

We are so grateful to Opportunity International for enabling us to support remarkable women like her around the world. Through the way they have established financial services across the globe, we are able to fulfill our goal of empowering women, helping them work their way out of poverty, strengthen their families, and improve their communities.

From the entire cabi family, thank you for playing a meaningful role in our W.E. are cabi movement!
