

thank you!

Because of a cabi Stylist, cabi continues to empower women throughout the world. It's our pleasure to introduce to you...

ROSETTE

a Sister Entrepreneur from Entebbe, Uganda

Rosette Masica works hard to provide for her two children in Entebbe, Uganda. But as a single mother, this isn't always easy. For many years, she has owned and operated a money transfer store in her town. However, Rosette's biggest challenge with her business was that she had limited capital to expand her store. She began to struggle financially as the sole provider for her children and knew something needed to change.

Rosette found a solution to her dilemma when she heard about programs and services she could receive from Opportunity International. Because a cabi Stylist is building her business, Rosette received financial training and a loan. Rosette invested the loan in her business and immediately noticed her store was attracting more customers. This increase in her weekly profits allowed her to comfortably afford her family's basic necessities. Rosette looks forward to continuing to grow her business and would like to use her next loan to open up a retail shop so she can meet more of the needs of her community.

This partnership with Rosette has paved the way for her to live out her dreams and plan a prosperous future for her business and family.

Because a cabi Stylist began her business, Rosette was able to begin hers.

We are so grateful to Opportunity International for enabling us to support remarkable women like her around the world. Through the way they have established financial services across the globe, we are able to fulfill our goal of empowering women, helping them work their way out of poverty, strengthen their families, and improve their communities.

From the entire cabi family, thank you for playing a meaningful role in our W.E. are cabi movement!
